

HEALTH NEWS & ADJUSTER

WINTER 2009

Welcome Joann Falls

Joann Falls recently joined our organization in November and will be working as our front desk manager. She replaces Kelly Dorman who has taken a position with Carteret County's Social Services. We thank Kelly Dorman for all of her hard work the past three years in serving our

practice's mission. Please welcome Joann Falls to our practice!

Spinal Decompression has ARRIVED!

We are now offering Spinal Decompression to the community. For patients with disc pathology (bulging, protrusion, herniation) and/or those with spinal stenosis (hardening of the spinal openings due to spinal osteoarthritis), this mechanical traction device will be an extra option for treatment. If you are seeking information in regards to Spinal Decompression, please give us a call for a no-charge consultation on what this procedure can do for you.

Wellness Plans and Maintenance Chiropractic Treatment Plans

For those patients interested, please inquire about our weekly wellness plans and our Prepaid Maintenance Chiropractic Treatment Programs that we are offering. Often these plans will save patients money in comparison to their health insurance plans.
